7

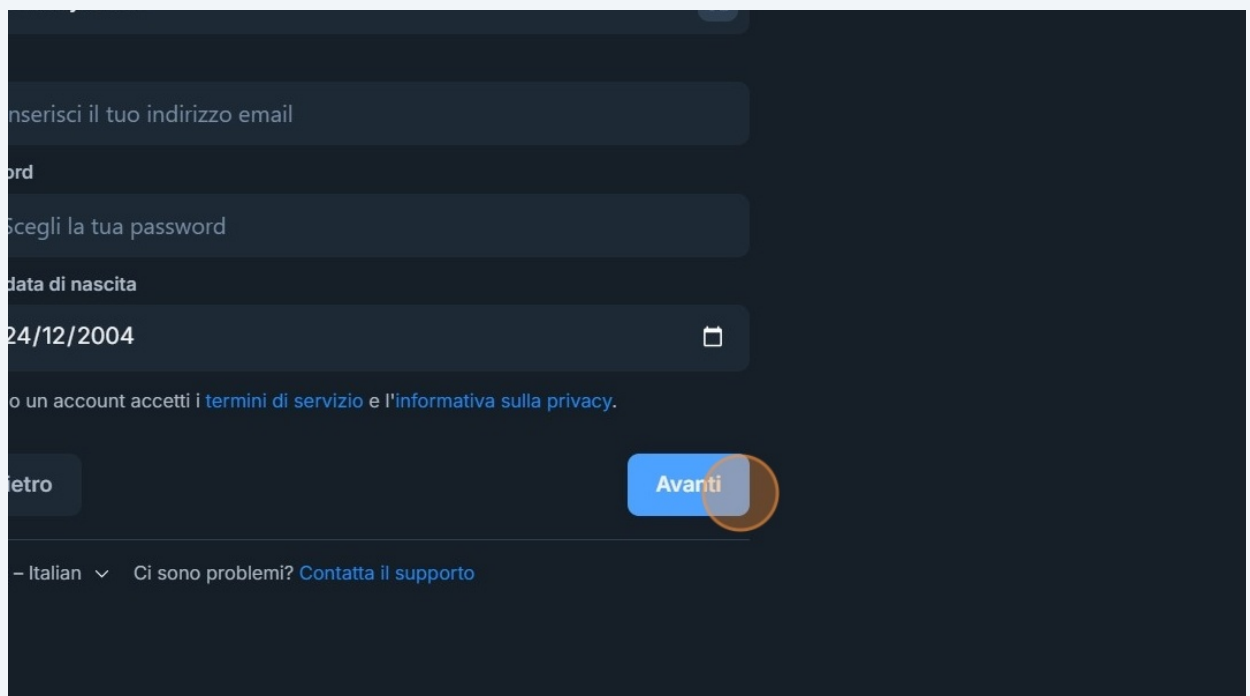

Click the "Data di nascita" field.

The screenshot shows a registration form on a dark background. On the left, there is a blue header with the word "account" and a line of text below it. The form fields on the right are: "Email" with a placeholder "Inserisci il tuo indirizzo email", "Password" with a placeholder "hMWTAn@53v73SW@", and "La tua data di nascita" with a date picker showing "24/12/2004". A blue circle highlights the date field. Below the fields, there is a line of text: "Creando un account accetti i termini di servizio e l'informativa sulla privacy." At the bottom, there are two buttons: "Indietro" and "Avanti".

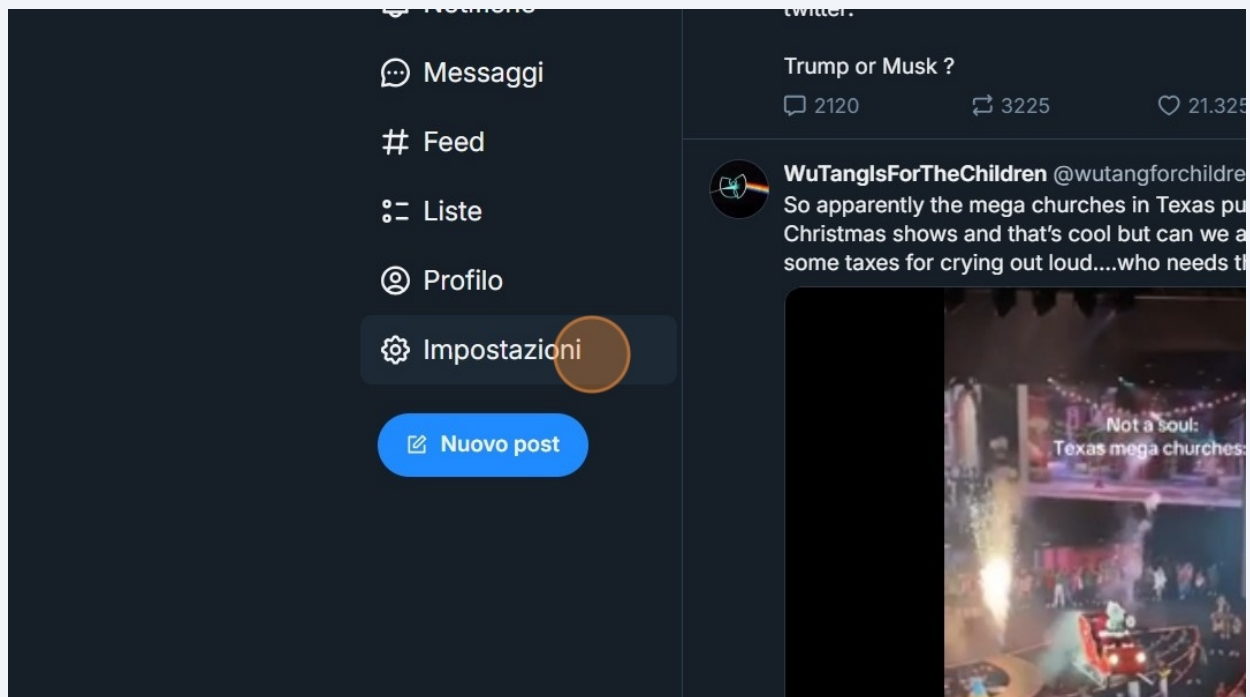

8

Click "Avanti"

This screenshot is a close-up of the bottom part of the registration form. It shows the "Indietro" and "Avanti" buttons. The "Avanti" button is highlighted with a blue circle. The form fields above are partially visible, showing the email, password, and birth date fields. The text "Creando un account accetti i termini di servizio e l'informativa sulla privacy." is also visible.

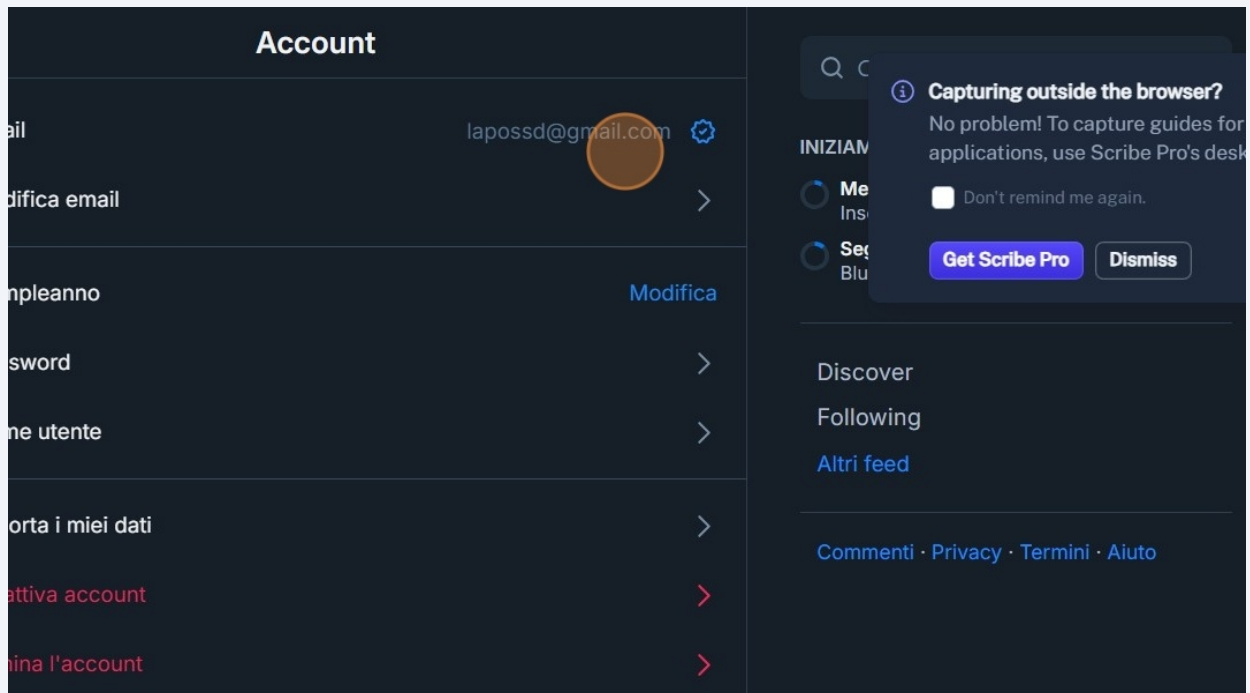

9 Click "Impostazioni"

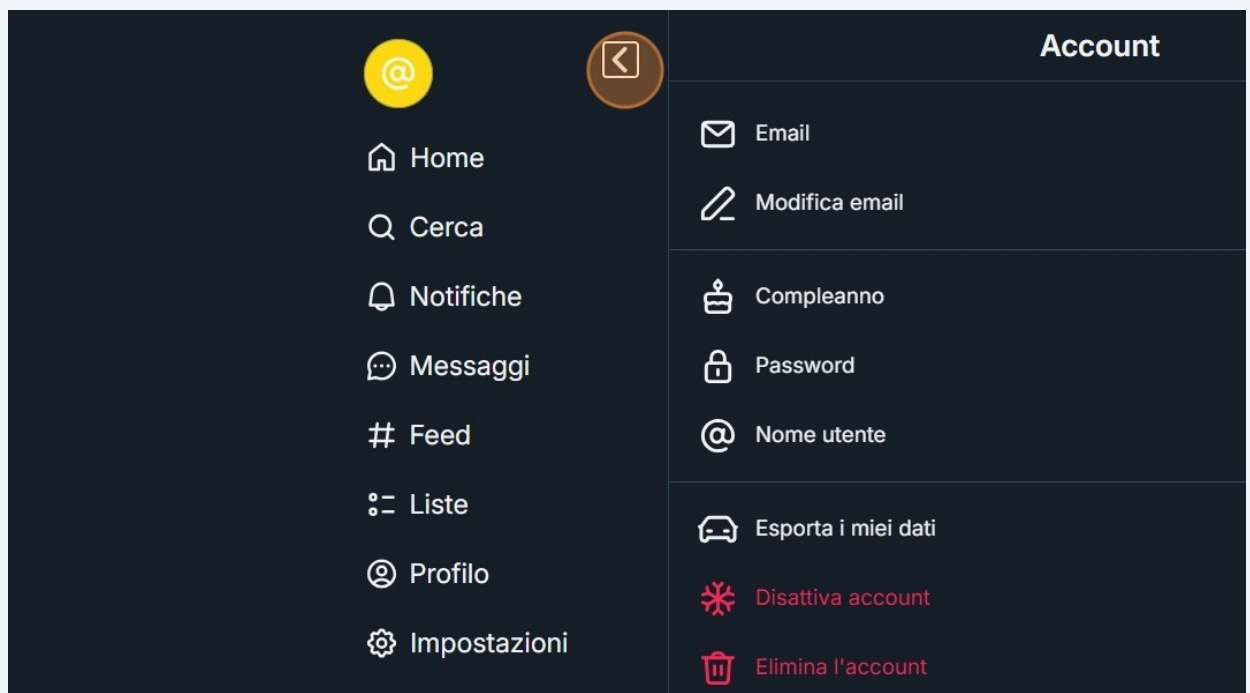

10 Click here.

11 Email confirmation

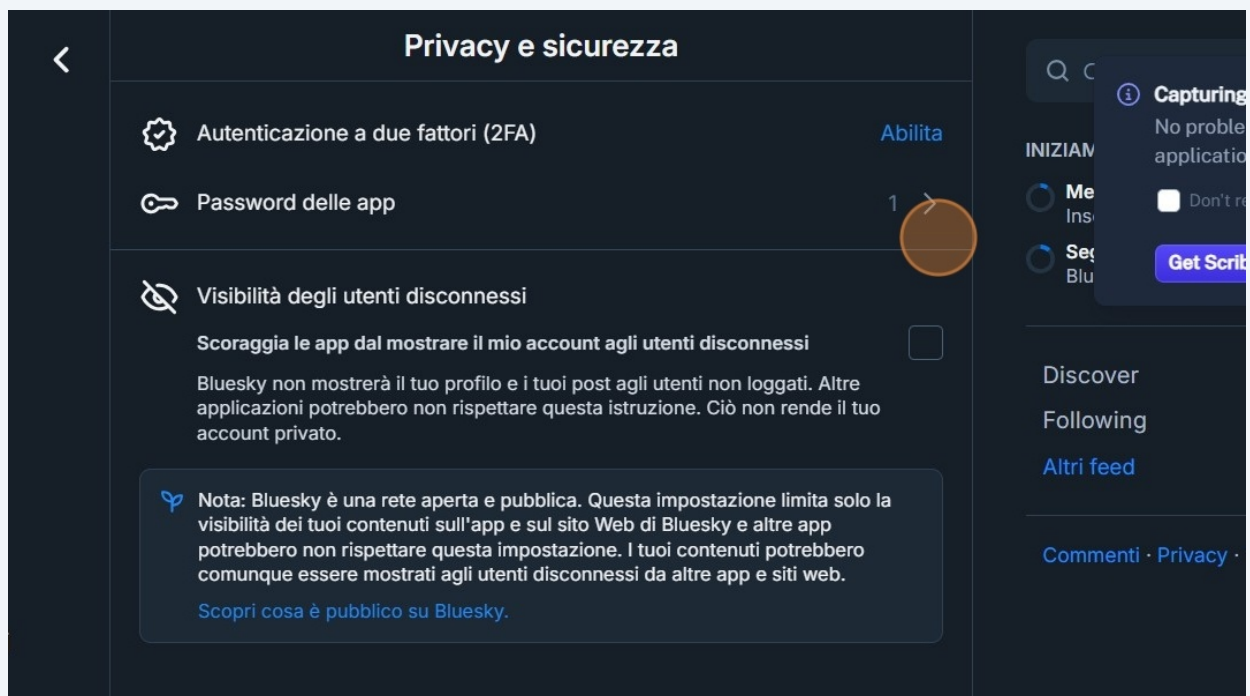

12 Click this icon.

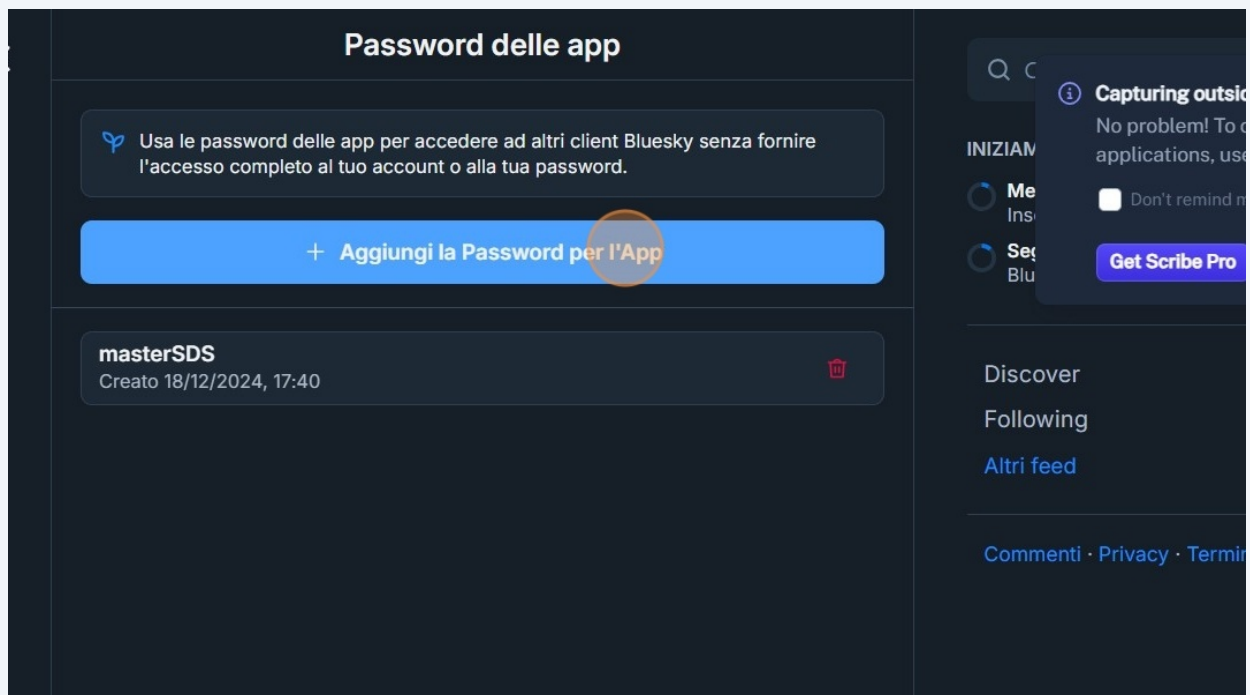

13 Click here.

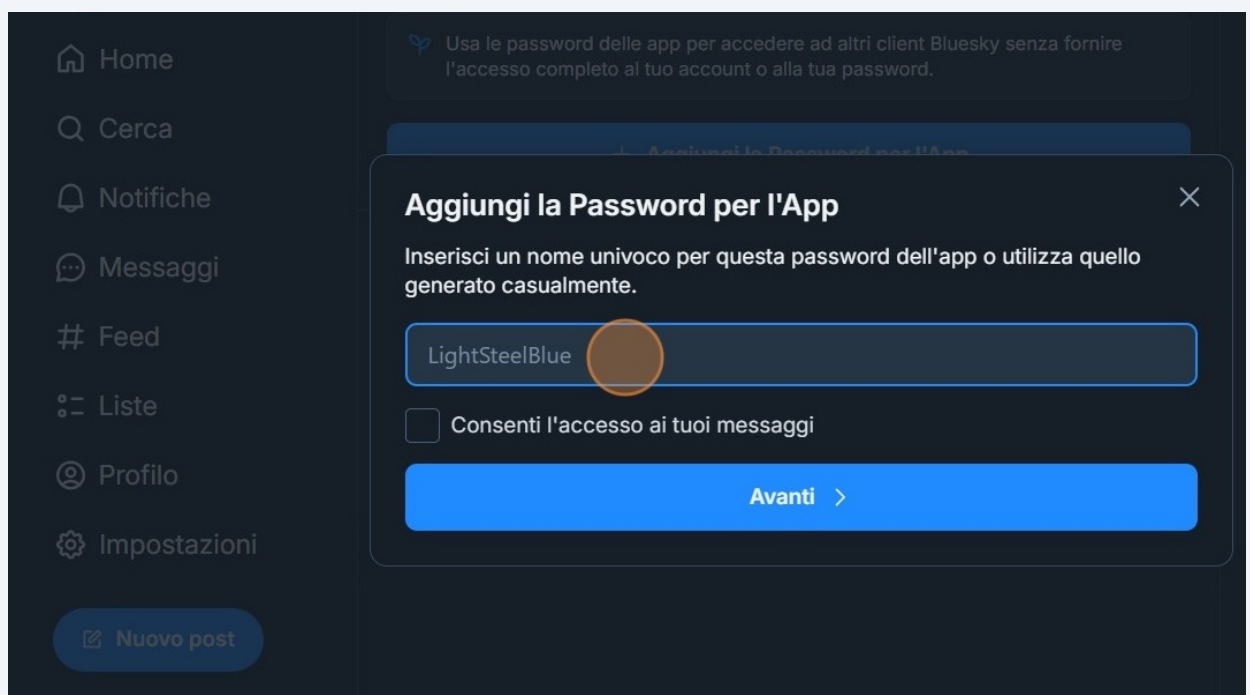

14 Click here.

15 Click "Aggiungi la Password per l'App"

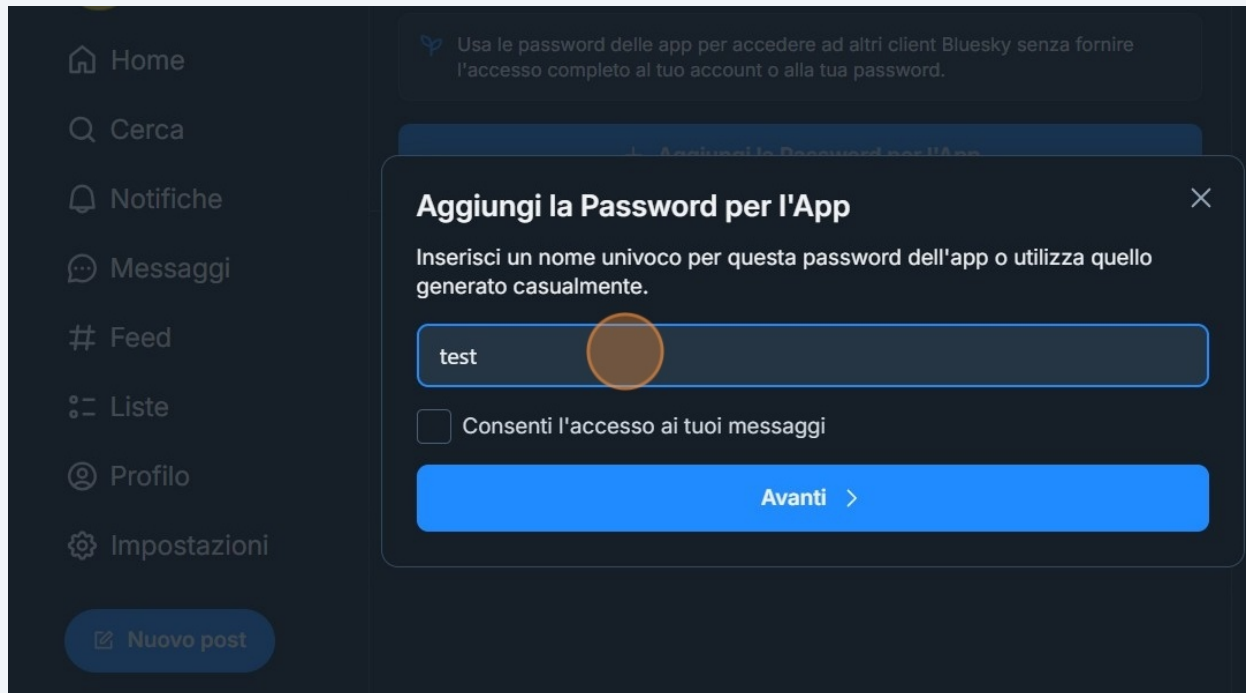

16 Click the "LightSteelBlue" field.

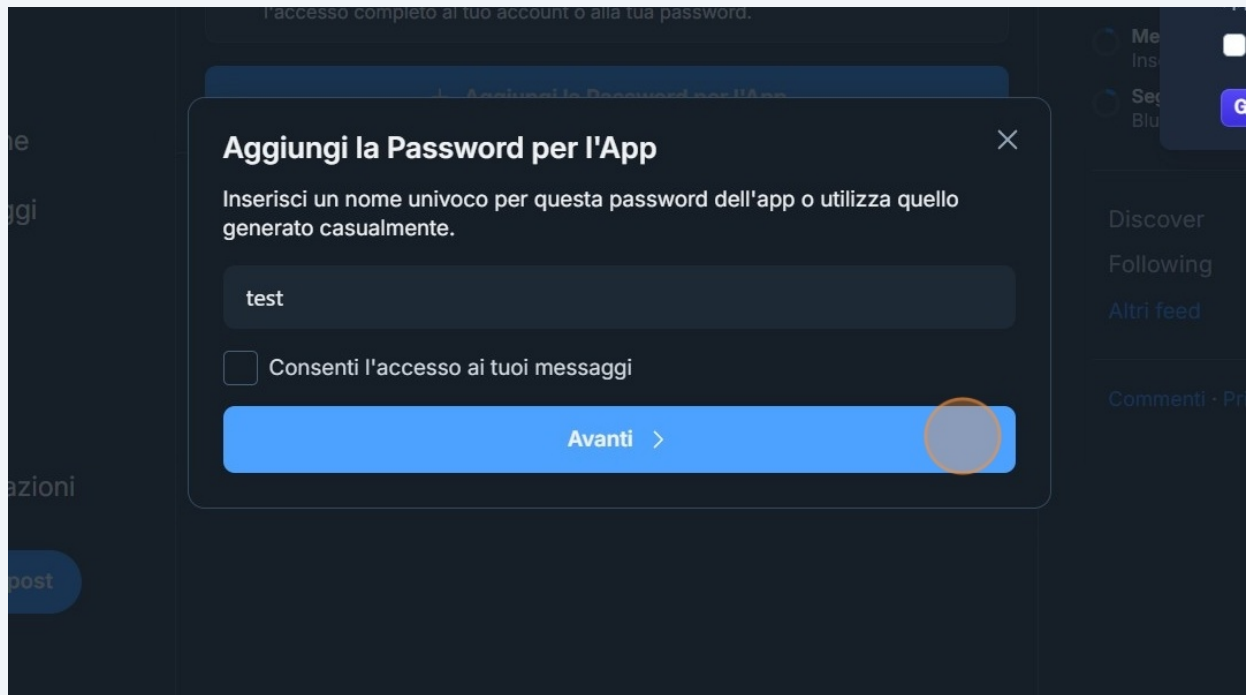

17 Type your app name. In this cas "test"

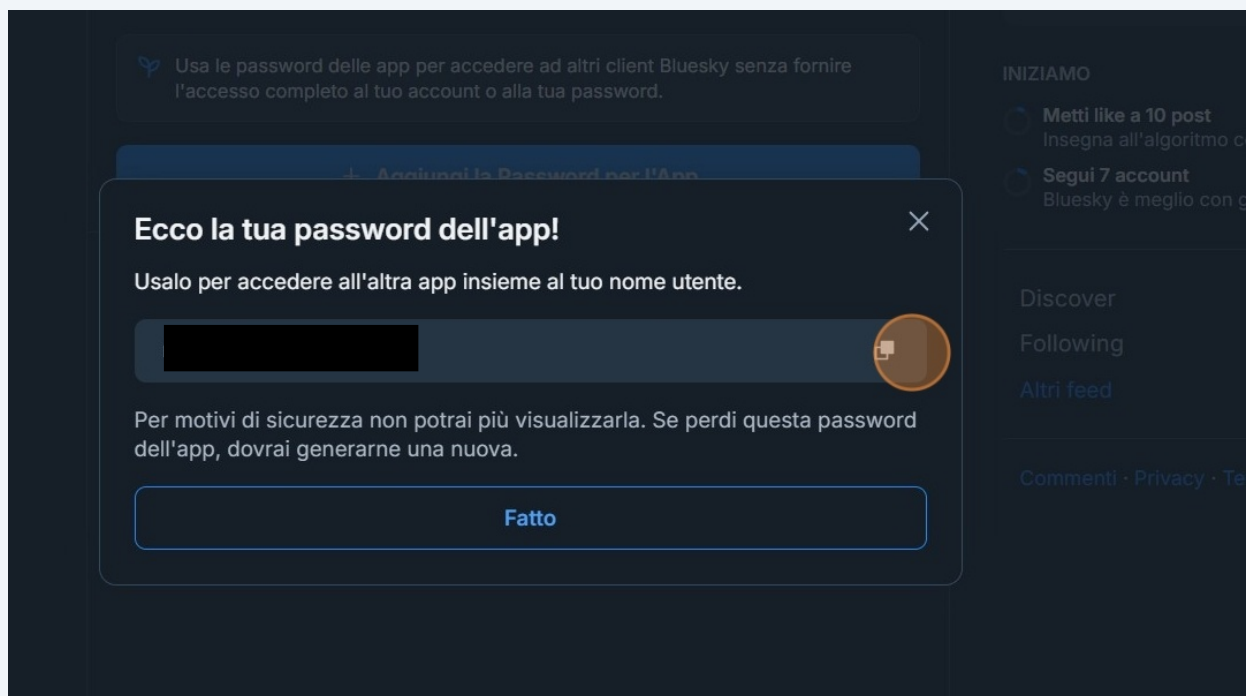

18

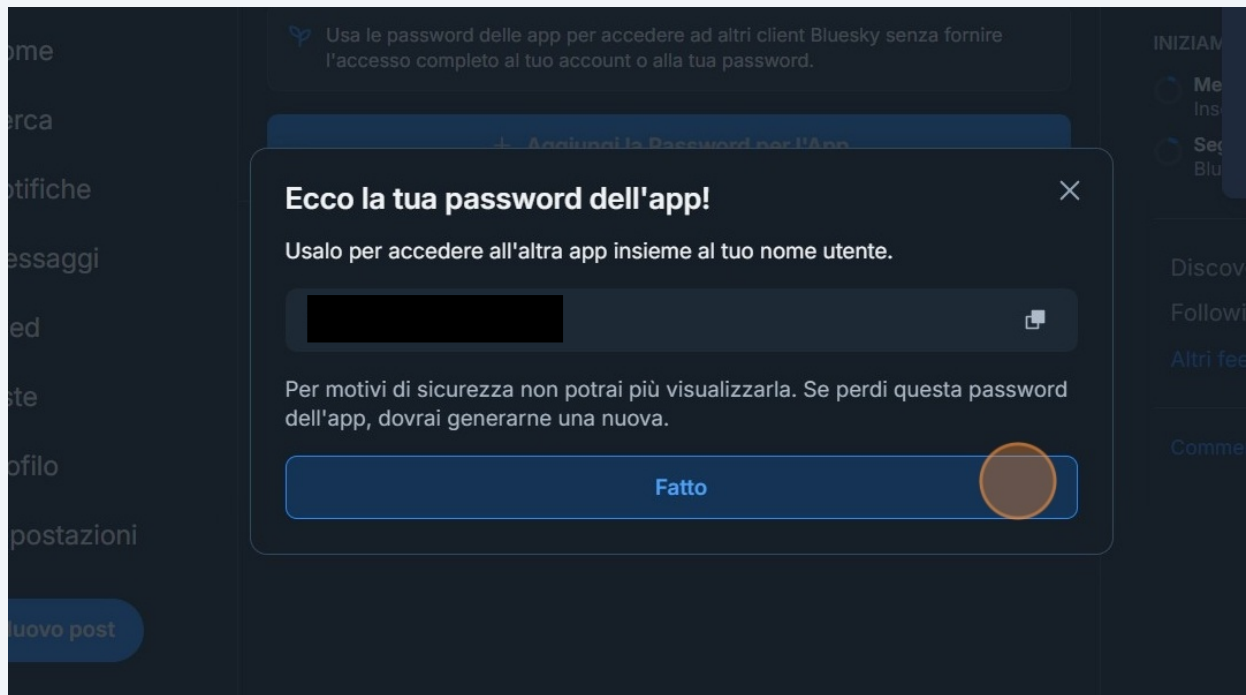

19 Click "Avanti"

20 Copy the password_app

21 Click "Fatto"

22 Now open a block notes to create a "config.ini" file

23 Type [bluesky]

```
client_id = your_account.bsky.social
```

```
password_app =
```

24 Save the .txt file as a "config.ini"

25 Done!
